

WEAVER ORTHODONTICS  
JOHN K. WEAVER, DMD

Weaver Orthodontics welcomes you to  
***The Marlin Club,***  
a fun and exciting new program  
customized just for our patients in the  
observation stage of treatment.

**T**he observation stage is a very important part of your orthodontic treatment plan. By monitoring your teeth and jaw growth, Dr. Weaver and his team can plan for your future orthodontic needs. Timing of your orthodontic treatment is critical and attending your regular office visits during this phase ensures the appropriate start of your treatment.
